GRIEF SUPPORT DURING THE HOLIDAYS

The holidays should be a special time of celebration with family and friends, but for those dealing with the death of a loved one, the season can often be difficult to endure. Cherished Christmas traditions may become painful reminders that accentuate a bereaved person's grief.

This holiday season, Hospice Northwest is reaching out in a number of ways to ease loss and loneliness.

Hospice Northwest is once again offering a special way for people to include the memory of a friend or family member in their Christmas celebrations through the beautiful **Wings of Remembrance Memorial Ornaments**. Featuring seven different styles, the ornaments range in price from \$15 to \$30 and can be personalized with names and dates. The ornaments can be purchased online at www.hospicenorthwest.ca or at the Hospice Northwest office at 63 Carrie St.

All proceeds are used to help Hospice Northwest offer compassionate support to people with life limiting illnesses and their families.

Hospice Northwest is also presenting the **Hearts and Hope Candlelight Memorial Service** on Tuesday December 9th starting at 7 p.m at the Slovak Legion Solarium, 801 Atlantic Ave.

The non-denominational service will include readings, music and the chance to light a candle in memory of a loved one. The service will also be live-streamed on the Hospice Northwest website for those who are not able to attend in person.
