

A Leader in Providing Caring Companionship

Founded in 1987, Hospice Northwest is dedicated to providing compassionate support to individuals and their families living with a life limiting illness or those in need of grief and bereavement support.

We tailor our services to meet individual needs, in order to lessen the degree of suffering, loneliness and sorrow.

Please call us today to find out more about Hospice Northwest or visit our website at www.hospicenorthwest.ca. Our services are provided regardless of diagnosis through a simple referral process. Confidentiality is assured and there is no charge to the individual.

Supported by:

Facilitated by our head office in Thunder Bay, Hospice Northwest's trained palliative care volunteers provide compassionate support in homes, hospitals and long-term care facilities in the region.

Our mission is to assist individuals living with a life limiting or chronic illness to experience a sense of connectedness, community and support through companionship.

Become a Volunteer

Volunteers are the heart of Hospice North-west. Volunteers receive extensive training to understand the issues facing people with life threatening illnesses and act as supportive companions to help in whatever way they can at a difficult time. If you are interested in being a palliative care volunteer, please contact the Hospice Northwest District Program Coordinator in your community.

Giving

Join a caring community of supporters to help Hospice Northwest provide the best possible palliative care and grief support. Gifts may be made in memory of a loved one or to honour someone special. Donors receive a charitable tax receipt for income tax purposes.
